

## STATEMENT OF PURPOSE

### RS21373

A Joint Memorial calling on Congress to reclaim its Constitutional role over the management of species and public lands. Asking that Congress reexamine, reform and reauthorize the Endangered Species Act, the National Environmental Policy Act, the Equal Access to Justice Act, and any other federal law that disrespects the role of states and local governments in land management decisions and leads to costly and frivolous lawsuits that strip authority from Congress and place it in the hands of the judiciary.

## FISCAL NOTE
